

Opportunity to share your skills.

Become a leader. Be an active Chapter Member.

There are many opportunities to share your skills and become involved. Are you the party planner among your peers? The blogger or social media go-to person? The innovator? The secret C-SPAN watcher? Whatever your skills and time constraints are we have an opportunity perfect for you. You can be involved with other chapter volunteers on

Chapter Educational Programs • Scholarship Awards • Membership Retention and Growth • Annual Meeting Program • Quarterly Newsletter Publication • Membership Certification • Sponsorship Support • Membership Retention and Growth • Golf Outing • Yankee/Red Sox game • Happy Hour, Beer & Wine Tasting Events • Linked In • Facebook • Twitter • River Cruises

Become a committee member. Find a committee that gives you the opportunity to make a difference.

Annual Meeting Committee

Annual Meeting Committee members assist in developing an exciting all day program. This committee brainstorms, organizes and develops the program of the year. Members work together to decide on a theme, solicit speakers, and coordinate the logistics and publicity of the event throughout the year.

Certification Committee

We encourage members who possess the knowledge and skills required to prepare and successfully pass the Certified Healthcare Financial Professional® (CHFP) certification exam. Earning this designation is just part of the broad range of business and financial skills essential for succeeding in today's high-value healthcare environment.

Communications Committee

One of the most powerful tools for any organization is proper communication. Members of this committee oversee all CT HFMA communication vehicles including, but not limited to, the chapter newsletter, chapter website, chapter social media applications, and annual meeting publications. Participants contribute by actively assisting in the promotion of one or more of these communication tools.

Membership & Young Professional Committee

Promoting membership growth and renewal is what keeps the CT HFMA productive. Participants offer ideas and support in maintaining net membership growth and retention. Also, this committee coordinates the social networking events held across the state.

Program Committee

The CT HFMA Program Committee is the heart of our organization with members using their expertise to contribute to program development by offering ideas, support and leadership.

Special Events Committee

To coordinate the activities around the annual golf tournament and other identified special events. Participants are expected to actively work on event development and execution.

Sponsorship Committee

In an ongoing effort to provide quality speakers, program and communication tools, as well as to provide educational opportunities, the CT HFMA recognizes the need to recruit Corporate Sponsors in order to meet its financial obligations. The Sponsorship Committee works together to secure these critical sources of revenue.

Our committees are always looking for more volunteers. Your participation in one or more of the Chapter committees can enlarge this grouping. Please contact CT HFMA at info@cthfma.org or 860.430.4957. www.cthfma.org
